

**Greetings:**

Thank you for your interest in becoming a part of the Empowerment Weekend New England Tour. Unfortunately not everyone will be selected for a slot. I hope this does not deter you from perusing the opportunity. I do hope that I am able review your content and advise on a decision. Regardless of the outcome I do not forget good music and humble people. Please do understand that there may be other opportunities down the road. Net Worth is your network.

Here is what needs to be done.

Empowerment Tour Request / Artist Name / Dates Requested

- Bio
- Music – MP3 please
- Promo Links – Website, IG, Insta
- Press Material if Available
- Management Information and Contact info
- Emails for each contact in the performing group
- References – Promoters who have booked you in the past.

**How the decision is made**

- Is there a momentum with the artist?
- Is there a body work for the artist to push?
- Can the music fit the type of venue I am doing?
- What does the artist plan to do after their run through their selected tour dates?

I should be able to review all submission in a timely manner. Best of luck and I hope I am able to make a decision in your favor.

Respectfully,
